**Damages | law | Britannica**
At common law, damages are a remedy in the form of a monetary award to be paid to a claimant as compensation for loss or injury. To warrant the award, the claimant must show that a breach of duty has caused foreseeable loss. To be recognised at law, the loss must involve damage to property, or mental or physical injury; pure economic loss is rarely recognised for the award of damages. Compensatory damages are further categorized into special damages, which are economic losses such ...

LPL4802 Assignment 01 - Law of Damages - Unisa - StuDocu
English-speaking lawyers do sometimes use “damage” in the plural to refer to multiple losses or injuries. This is an exceptional use of the word, unique to legal jargon, and breaks the rule that “damage” is an uncountable singular noun. In everyday English “damages” can only mean compensation or satisfaction.
